

## Use These Model Railroad Resources To Help You Plan, Build and Maintain **Amazing Model Train Layouts**

Wouldn't it be fantastic to create your own wonderfully realistic railway scenery that's at least as good as many of the model train layouts you view at model train shows? Well, if they can do it, so can you. In this downloadable Model Railroading Scenery Construction Techniques book, Brian Miller shows you how. He explains everything step-by-step in a way that even the newest beginner in the hobby can easily understand... but don't take my word for it, watch the video and see for yourself.
